Dedication

Mr. Marker

We, of the Senior Class of Spencer High School, wish to dedicate our yearbook to our coach and teacher, Mr. Larry Marker. In the two years that he has been at Spencer, he has proven himself to be a well-qualified teacher, an excellent coach and a friend to all of us. Besides helping us over a lot of rough spots that any Senior class is likely to encounter, he has also helped us with our personal problems. In dedicating this yearbook to him, we hope to extend to him some of the thanks that he so well deserves.

Class History

Starting out in high school in the freshman class, we all decided we were pretty grown-up. This was the first year for changing classes and having different teachers. Miss Lois Swisher was our home room teacher.

The next year we were the lucky sophomores, or so we thought. We lost a few of our number along the way and were left with about 21 in our room. Our home room teacher was Mr. James Seiple. We sponsored an "April Showers" dance which was a huge success.

Our junior year was a very exciting year. We had our first class play which was "Take Your Medicine." Mrs. Dawley, our class advisor, was our play director. As another money making project, we had a paper drive and a dance. There were 18 members left in our class that year.

The Junior-Senior Banquet was held May 18. We treated the seniors to a meal at Iacominis' in Akron. We went to a show in Akron then returned to the school where we danced and had a breakfast served by our mothers.

Our senior year started out very well as we sponsored the Homecoming Dance. I am sure everyone will remember it for a long time. We also had a paper drive and a class play to make money for our class trip. Our class play was "Susan Steps Out." Mr. Marker helped us out by taking part in the play and Mrs. Wolff was the director. Our yearbook was named "Memories of '57." We all had a lot of fun collecting the advertising and working on the yearbook. On March 15, we served a chicken supper as one of our last money making projects. It was a tremendous success.

We must not forget our senior trip, as if we could. We left on May 5 for New York City with Mr. and Mrs. Florence as our chaperones. Everyone had lots of fun but I'm sure we were all glad to get home and catch up on our sleep.

Last but not least, the 16 members of the senior class looked forward to graduation. Yet some of us hated to leave. But we all feel that we should never wish we were back in school, but to make the best of what we have and what we do out in the world.

Good luck to you who graduate next year. We hope you have as much fun and learn as much and more than we have and make your school life a very happy one to remember.

Class Will

I, Jeannine Converse, do hereby will my small waistline to Mary Jane, who needs it.

I, Beverly Rowe, leave my ability to be a cheerleader for four years to someone who could do it if she tried, Carolyn Wasson. Good Luck!

I, Jim Mullins, leave my southern drawl to John Nagy, Bill Benford, and Warren Waltz.

I, Marilynn Dennison, do hereby will my long hair to Gypsy Pervier.

I, Fred Pitz, will my ambition (?) to John McCourt.

I, Mary Lynn Clement, will my natural curly hair to Mary Ann Giar, who could use a little curl.

I, Carol Wolfe, do hereby will all my service men to Evelyn Leidorff, who is always trying to get one.

I, Jim Eglin, leave a few of my books to the school library where they can surely use some.

I, Donna Ody, do will and bequeath my ability to hold my temper to Delores Van Meter.

We, Pat Dalgleish and Karen Wolfe, leave the care of the library 2, 3, and 4 periods to anybody who can get away with it again next year.

I, Sonya Stuart, bequeath my power to control my temper (?) to my sister, Anna, who could surely use it.

We, Butch Boone, Steve Dennison, Wayne Dennis, and Loren Mantz, leave the Spencer High School in peace and quiet to Mr. Florence, who gets little quiet and no peace.

We, the Seniors, will to the juniors our seats beside the windows and Mrs. Wolff to take your attendance. Have fun!

To the Sophomores, we will you our place as opponents of the juniors.

To the Freshmen, who are mostly our younger brothers and sisters, we will you our ability to finally graduate one way or another.

And last but not least, we leave, to the faculty the pleasant (?) memories of the Class of '57.

Prophecy

As I was returning to Spencer, for a class reunion, having been away for quite some time. I was truly surprised as we pulled into the station in my home town.

That very night we had our reunion in the "new" Spencer High School. At the reunion I saw everyone. Of course I wanted to know what they all were doing so I listened in and here's what I heard:

Butch Boone handles the best midget car racing in the whole town. He's Champ!

Jeannine Converse went on, after school, to become one of the Wac's best Master Sergeants.

Marylynn Clement has her own personal "Old Men's Home."

Pat Dalgleish wanted three boys so bad that she had all three at once, triplets.

Wayne Dennis has a special place where he forges excuses for the high school kids.

Steve Dennison is one of Spencers prominent wrestlers. They call him "Fearless Stevie."

Jim Eglin decided to start his own breed of "book-worms." He's doing quite well for himself; he's a millionaire.

Loren Mantz, believe it or not, is one of Spencer's best policemen. THAT sure was a shock!

Jim Mullins started an All-Star girls basketball team. They've won all of their games this year. Jim is very proud because all five of the girls are his daughters.

Donna Ody now runs a "Slenderella Salon" where she is now worrying about other people's weight instead of her own.

Fred Pitz has started a mechanics garage where he can get his car fixed for nothing.

Bev Rowe finally made up her mind last year that she was ready for marriage. She has now had five husbands, going on six.

Sonya Stuart has started her own chain of farms all through the country side. They say she is doing quite well for herself.

Carol Wolfe still hasn't made up her mind which guy she wants to go with so she's decided she'll go with them all.

Karen Wolfe has finally succeeded in reforming Frannie.

Well that's about the end of it all. Who me? I'm just a cute little mouse who once was in the school there.

Inspecting the trophy!

The Redbirds opened the season with a 51-45 victory at Polk. They then proceeded to establish a season that could be described as a thrilling one to say the least. The team combined a lot of hard work and a desire to win to make this a very successful season.

A summary of the year is as follows: Seven wins and seven losses in league play which gave Spencer a tie for third place. The Redbirds won two of the three games they played in Medina County Tournament. This gave them the runner-up trophy and the right to represent Medina County in the sectional tournament in Lorain. The final game of the season was played at Lorain against Columbia which was lost by a 37-72 score. This made a final season record of 10 wins and 9 losses.
